| 07/09/24 | JTC      | Draft detailed email to TTE Miller re: inquiry from an employee on the pending distribution motion which needs a response (Penelope Riascos); advise in follow-up to our earlier conversation, have been speaking with employees as they call today to inquire as to the reason that they are not scheduled to receive a distribution in the Trustee's First Motion to Pay Priority Claims; have explained to them that there are two likely reasons they may not be listed in the Trustee's motion to distribute to priority claims, namely (1) they did not file a POC (most of them do not recall) or (2) their POC has some error or issue that needs to be corrected/addressed; if they did not timely file a POC, have advised them that they may file a late POC but it may not be afforded the same priority of distribution; propose to continue accept and/or return the initial phone calls as indicated but will leave the follow-up responses to TTE's office; advise to date the employees who have called have been very cordial and not hostile at all; request TTE advise if want Cozen to get involved in any responses | BKA416    | 0.30  | 288.00 |
